Boats may not exceed a length overall 26 feet and width of 9 feet. For boats longer than 20 feet, lines connected to dock posts, walkway posts or dock cleats should be fitted with the appropriate sized snubbers. A minimum of 2 snubbers per boat is required. The length and width of boats may not create a hazard to navigation, nor interfere with entry or egress from another slip. No refueling is allowed at the docks. Damage caused to a boat slip will be the responsibility of the slip owner.
